

# Sealing plugs

Filoform sealing plugs have been developed to provide an effective and simple solution to all splash water and dirt tight sealing requirements in HDPE ducts, protective sleeves and diamond-drilled ducts.

The sealing plugs are standard dirt and splash watertight. After mounting with sealing compound Filoform Fill & Seal (art.nr. 80840) the Filoform sealing plugs easily exceed the specifications of NEN 2768.

The Filoform sealing plugs are made from a high quality TPE, this material has a hardness of 40 Shore A.

## Rasgos

- Formed from one part
- Easy to install
- Durable sealing
- made from high quality TPE

## Especificaciones

- Material : TPE
- Hardness : 40 Shore A
