

Divisible duct seals 10mm

Filoform divisible duct sealing sets for subducts have been developed to provide an effective and simple solution to all Gas and Watertight duct sealing requirements.

This modular system enables you to install it easily onto new and existing installations. Due to the compact design the seals can be installed in all situations, even in locations with difficult access.

For use on subducts of 10mm.

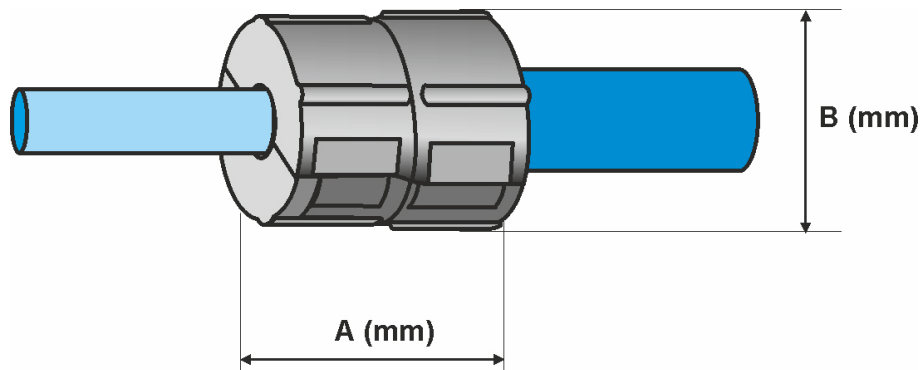

PATENTED

Rasgos

- Gas and Watertight up to 0,5 bar.
- Suitable for retrofitting.
- Easy installation.
- Slim design.
- Other versions available upon request.

Divisible duct seals 10mm
